Elmwood Va. 25. Nov. 1862.

My dear Sir

My young friend the bearer of this Wm Lieut E. Gribble jr. desires an appointment in the Signal Corps as a Lieutenant. he claims to have rendered some service as a Member of that Corps, some time since, having been detailed by Gen[l] M.Clellan for the purpose of establishing it in its infancy, when serving as Volunteer in Capt. Montagues Company of Artillery, so long stationed at Elmwood Point, in defence of that Post at the commencement of the war.

I cannot say more in his favor than is contained in a letter of recommendation of Gen[l] M.Clellan to the Secretary of War at that time Mr. Randolph, I trust that his application may not be overlooked or overturned by you - he obtained a letter also from Maj[r] Myers then in command of the artillery here mentioned, addressed to the Secretary, both on file no doubt in the Department, to obtain which Mr Gribble begs leave to refer you -

Very truly Yours

Sir

I have the pleasure to inform you that Capt Jas Barron of Gloucester County now a Prisoner in the hands of the Enemy

Mr Babb was under my orders on board the U. S. Steamer Express during the engagement with the Merrimac Ships in Hampton Roads in March last and the duties as Signal Sergeant he declined to remain below the main deck and being required as under fire was not able to report himself, as his services might be needed to communicate to the batteries as shot after the action had ceased.

I consider him a brave man and one who will do honor to a Commission, should you confer it upon him -

Respectfully Yours

My Dear Sir

My Son received a letter from you sometime since, saying that Maj. Jones had submitted an application & recommendations for appointment in the Signal Corps. Since which time he has no further information in reference to the matter, but is not disappointed. Knowing the frequent uncertainty & delay in Military arrangements. He would like very much if he could get the appointment, as he feels assured you will not want him from the ardious & exposed duties of a Private Soldier in Capt. Jones Co. on this account, & more merely for his health than any thing else.

My object in now writing you, is to express my sincere thanks as well as those of my Wife, for the kind interest you have taken in our Son, & the assurance My dear Sir, that most highly appreciated. We could not feel that we had any right to expect so much thought & attention from a Comparative Stranger. One upon whom we Certainly had no Claim. & the appreciation of this Enhanced. Knowing

I may have an opportunity of more fully & satisfactorily explaining our Conduct of the obligations at some future time.

I suppose you hear frequently from Windsor, my last visit there was a Month since, where my family were comfortably well although there have been a good many Cases of fever in the Village.

You will see that we are all Excitement in Charleston. The Enemy having Commenced to throw Shells into the City, a few Nights since, & again on Sunday night last, but none fired. We are however in Constant anxiety as to the moment when the Shelling may be renewed, in the meantime many persons are leaving the City. Banks & Post Office moving up Town, business pretty much Suspended & Every thing in a painful State of uncertainty.

With my very Kind regards to your Wife & Col Mrs Forgas

I remain

Capt Bayne,

Dear Sir,

Your letter was forwarded to me by my father last Sunday, and I would have answered it sooner, had I not expected to receive my appointment, and then write to you thanking you for it. Should I not however receive the appointment, which I hope will not be the case, I shall always be obliged to you for the trouble you have taken to obtain it for me. I am very glad you did not withdraw my application, for I am very anxious to obtain a position in the Signal Corps, both on my own account, and on account of my parents. Having received a part of a month's pay, I remain a private, and do not like to commission higher. Thanking you for your kindness I remain,

March 21. 1864.

My dear Sir,

I have learned from my sons that there some additions are to be made to the Signal Corps and that some of the A. A. Gens are designed. I take the liberty of placing the name of my son Maj. A. Gen. Wm. Clark in the list of applicants and would be glad of his promotion, if upon examination it should be found that he merits it. He has been [illegible] service two years and in the Signal Corps one year & [illegible], & retains from his despatch officers, testimonials of the satisfactory discharge of his duties.

One of the most encouraging signs of the times is the almost universal approval by the people of the late acts of congress, especially the currency and Tax Bill. These bills will, no doubt, place our financial affairs in a much better condition than they are now. We must guard against a relapse. Our finances have passed through the same ordeal as those of the French in their Revolution of 93 when the circulation amounted to nearly 40000 mil. of paper, a forced loan of 1000 mil. and a collection of a year's taxes reduced the amount to less than two-thirds, and at the end of the year they were at par. But this lasted only a short time. The want of the government to pay [illegible] June 1794, the circulation was more than two millions & they went on increasing until they became worthless. Gen. Bragg,

Sir,

I would respectfully request that I be transferred from the Army of Tenn. to the army commanded by Gen. Lee — I am a native of Maryland and was among the first to take up arms for Southern independence, I have served in the Confederate army for nearly two years, I have endeavored to do my duty — My state is about to be ordered and every man should be with her at this crisis — If the transfer can be effected in no other way I would respectfully request that I be detached from my present command and ordered to report to Lt General Lee for duty in the 1st Maryland Regiment now serving in the state of Maryland — Hoping that there is nothing incompatible with the good of the service in the request I have the honor to be your obt. Sir

Having been in the
Confed. States Military Service for more than four years, my
constitution, not naturally strong, has been rather
greatly impaired. I am afraid to present have been
from some cause in my case & have interfered so much
with my standard of efficiency that I am compelled
much as I love the service for my country, to offer my
resignation. I trust it may be immediately acted upon.

Very respectfully

Mr Travis Smith. Formerly Acting Captain on the
Steamer Cotton and connected with Gen. Magruder's Command
after the Rebel Army left on the 11th of April 1862 was stationed
at the town of Galveston Island Texas. Left there for the purpose
of visiting his family who resided in Howard Co Md. Did not
in the rebel service since the 11th of April 1862. Came aboard the Gun-
boat "Augusta," came aboard of in a small boat belonging to this Gunboat
that was at the time ashore. Came from her on board the Gunboat Ship
"Admiral" to New Orleans arriving in New Orleans on the morning of
the 13th of April 64. Was then sent aboard the "Richmond" by Capt Smith
ship in company with Mr Turner of the Richmond, and was directed to
take Mr Travis after he had left the Custom House, after which he was
released. Went to Mr Brooks' house on Canal Street, there he met
Mr Nevins who was formerly on the same company with him and came
here as a refugee. Was at Mr Brooks house but one day when
he was arrested. Remained at Mr Brooks house he represented
himself as being a Rebel prisoner and immediately entered in-
to a discussion concerning the rebellion which was stopped by Mr
Brooks, and required aid and assistance from parties that knew
to be disloyal. Is his opinion as were the battles on the coast
instead of being fought had been moved, his reason for this is that
he had no money to get home, it is doubtful whether the rebels

Your direction of yesterday to your Habeas Corpus I have obeyed because I Prisoner, as briefly as possible the circumstances under which I became a Prisoner, on the 14th of April last, I took the small boat of the Steamboat "Virginia" blockading Bayou Sara just above Point Coupee, which I have reported above. For the purpose of learning what Boats, Steamers or Transports were in the Mississippi River, I was sent to Baton Rouge, which I reached on the day previous to the Virginia, & was sent to the Provost Marshal Genl Office, where I took the Oath, and was given my liberty, and an introductory letter to Capt Stevens A.A.G. recommending me for employment: I delivered the letter to Capt Stevens and left him for my Rebel Safe Guard, where I was given a pass to the Signal Corps, which allowed me not to go at once to Capt Stevens, which caused me a delay which has caused me all my trouble, not finding Mr Stevens at his office, I asked a Lieutenant on Guard to direct me to a Boarding House, and he pointed me to one, & left Brooks there & hurried me to the St Charles Theatre, where I met Mr Stevens among the Crowd that morning

In accordance with your request I herewith submit a statement of the circumstances under which I became a Prisoner, as briefly as possible. On the 14th of April last, I took the small boat of the Steamboat "Virginia" blockading Bayou Sara just above Point Coupee, which I have reported above. For the purpose of learning what Boats, Steamers or Transports were in the Mississippi River, I was sent to the Provost Marshal Genl Office, where I took the Oath, and was given my liberty, and an introductory letter to Capt Stevens A.A.G. recommending me for employment: I delivered the letter to Capt Stevens and left him for my Rebel Safe Guard, where I was given a pass to the Signal Corps, which allowed me not to go at once to Capt Stevens, which caused me a delay which has caused me all my trouble, not finding Mr Stevens at his office, I asked a Lieutenant on Guard to direct me to a Boarding House, and he pointed me to one, & left Brooks there & hurried me to the St Charles Theatre, where I met Mr Stevens among the Crowd that morning

[illegible] I can conscientiously assert my loyalty which I have tendered in good faith and if not accepted & hope it is, I will not be attached with further punishment as I have been since June 19th.

In conclusion to answer your inquiry more definitely in regard to enlisting. I will say that as I have written heretofore time since the war began, I wish there was [illegible] and if they have not suffered as I fear from Rebel Raids, with the influence I might be may secure a position in the civil or Naval service, where I would not be so liable to capture as the private soldier, and maybe of more service to the Government.

Again; my former connection with the Rebel Army was involuntary; to avoid the Conscription & joined a Co for State defence two days before the law went into effect.

Little dreaming of the continuation of this war & feared too long in Dixie, what led when I made the effort to go away, the authority stopped me, and after joining the army my last successful attempt was accidental & distant, myself & going 5 minute distance, in consequence of the Dead Line Pickets fired on the Head Guard opportunities probably occur as often as once a year. a Brother and wife, Refugees from Dixie, good "Union people" & Whole

From want of means, I was not wearing my uniform which caused me much annoyance on the street, especially from females, Rebel Sympathizers & persons, being accosted frequently asked questions &c, some of which terminated in a Deserter & assumed a Foreign Governor, a necessity which I would not have felt had I been able to change to a Citizens dress. I knew if the fact of desertion was not communicated from this City to Dixie that would save what became of me, as there was no picket near when I left the post and such chances of leaving from the beach, even as young accidentally it would never be suspected that I had gone in that way, and I wished if possible to leave it a "Hidden Mystery".

Again; as a member of the Signal Corps, I was intended to enter the Signal Service of the U States and if it were known to the Rebs, that I had deserted at this first step would have been to change their Signal Alphabet, which I wished to avoid if possible, as I owned many used all their dispatches under the system then used, which would have been of infinite service to this government, and especially gratifying to me to be so effectual.

I was arrested about 24 hours after taking the oath and lodged in [illegible], the immediate cause of my arrest was wearing the Confederate uniform, as I have understood since, and there was some [illegible] to be known of my mis-

fortune to get into a rebel sympathizers
house and hearing the intent of my
errand around, which I did to disguise it as
much as possible, and avoid unnecessarily on
the street. I was also cautious in my inquiries
was known from the act of me asking that
Marsh and to allow a letter to go in by
"mail" as a friend asking any mark a
the west to Havana by a blockade runner
and having agreed with a Mr Davis Pilot
of the fleet, a Gentleman from Key West
if the boat was captured to send it to me
at New Orleans. I called this friend's name
it contained the new and lately adopted
Signal Alphabet. Which I wanted to have
the rebels mentioned in this letter and as
soon as possible after adopting it, to have notice
familiar with all portions of it, I destroyed
the, and mailed to secure the original Copy
as sent from Richmond.

I had the best cause to suppose
Lieut at last, when I arrived there that
Gen Winder of the Military Commission, the only
or aided one at the Sanitary Commissary and
in Washington would have been amiss
both suspicion would have arisen
and I, in haste, then I make out pass
from sick to War began
I was also the misfortune to have been
among naval officers who knew me
known, and give me information to aid me
in carrying them out. I was cautious
and not a fault, and what I

a Mr Keller and wife, Refugees from Dixie, good "Union people" I think.

From want of means, I was got wearing my uniform which caused me much annoyance on the street, especially from females, Rebel Sympathizers & persons, being accosted frequently insult questions &c, some of which I understood as a Deserter & considered a Foreign prisoner, a necessity which I would not have felt had I been able to change to a Citizen dress. I knew if the fact of desertion was not communicated from this City to Dixie that my mind was. Now that the means of me, at time was no picket near when a risk the boat and such chances of leaving

fortune I got into a Rebel Sympathizers boarding House and having the Uniform boat covered, which I did, to disguise much as possible, and avoid Enquiries the Street. I was also understood was then from the Gate asking March and to allow a letter I go in by "Ima" a friend asking my trunk to be sent to Havana by a Spanish and having agreed with a Mr Davis to the effect, a Confederate Steamer if the boat was captured to send it to New Orleans. I believe this trunk it contained the New and latest adopted Signals & Rebels. Which I wanted to

The records show that Skipwith Wilmer was appointed Sergeant, Signal Corps, Confederate States Army from the State of Virginia, 11 October 1862 and ordered to report to Major Norris at Richmond, Virginia. He was promoted to 2d Lieutenant 19 February 1864.

On 9 March 1863, he was ordered to report to General R. W. Mercer for duty in Savannah, Georgia; 20 May 1863 was ordered to report to General R. E. Lee for assignment to duty with General J. E. B. Stuart's Cavalry Division; 7 April 1864 was assigned to duty with Major General Edward Johnson; 6 August 1864 assigned to duty at Wilmington, North Carolina to take charge of operators on board ships running the blockade and on the 16 February 1865 was assigned to duty in Department of Southwestern Virginia and Eastern Tennessee. No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sir

I have the
honor to enclose the letter of
Wm F. C. Worley, who is a constit

personally acquainted, & yet
whose letter makes the decided
impression upon me that he will
make an efficient & competent
officer in a Signal corps.
I have read few letters on the subject
of office from any one which made
a more decidedly favourable impress

that such a young man (poor, as he
says he is, has as high patriotism
& as high claims to office as many who
have been favoured with better advan

I respectfully commend his letter to

well done and then come on to Virginia and have been here ever since I am a poor young man, and have not the advantages of those better situated in life and trust I can be pardoned by the Secretary of war with the appointment above named. If I could get off I would come up to Richmond and see you personally but can not, and hope it will not be trespassing on your kindness to ask you to look into the matter for me and see if you can get me the position. I will be under a thousand obligations to you and will never forget the favor or slacken my efforts to do my whole duty to my Country. I am stationed now at Petersburg and will be here for some time.

Hon John A McLean

Dear Sir — By recent act of Congress the Grand Corps of the Army is to be increased and the number of its officers. Although a stranger to you personally I hope you will not think it too much presumption in me to ask you to get me a Commission as one of the Lieutenants in said Corps. I have no way at present of sending you a recommendation as to character and qualifications, being amongst entire strangers. I was a member of Capt. Milligans Corps and have a fair knowledge of the Code of Signals at present used by our government and feel myself competent to fill the office for which I ask. I am a South Carolinian, was born and raised in Chesterfield District, and for several years past have lived in Charleston if any of my friends there would tell you who I am if called upon to do so. I suppose other States are being represented by the appointment of officers, and I think our State is entitled to a share; and I do earnestly think that I can claim a little favor at the hands of my country, having served it as faithfully as I could ever since January the 1st 1861 — over three months before the bombardment of Fort Sumter. I saw that work

Petersburg Va. October 21st 1864

Gen. Beauregard,

Dear Sir:— As I am only an humble private in the army I hope you will not think it presumption in me to address you a few lines and ask a favor of you. From all that I can see and hear it is the intention of the enemy to try to take or destroy Charleston this winter, and every point around them will have to be strictly watched and defended. Situated as the different points are, on the Coast, it seems to me that the signal service will be of incalculable benefit to you, if you have not already brought it into requisition. Of course I am not dictating as to what you need, General, for you know what is required and what is not. I am a member of Capt. Milligan's Signal Corps, stationed at Petersburg, and have been in the service ever since last March. I have a fair knowledge of the Code of Signals used in our army. I am a South Carolinian and was in Col. Gregg's regiment on Morris Island, under your Command, until after we retreated from Secessionville. I left my state for Virginia, where I have been ever since. I was transferred by order of the Secretary of War to the Signal service last March, and have served in that branch, on James river, to the present time. As the enemy has been beaten away from their post,

ive axe, in a manner doing nothing; and as it seems there will shortly be hot work about Charleston and around on the our sea-Coast. I am very anxious to return to my native old State to Contribute my little mite in her defence. This I could do in the signal service. if you intend to establish such a thing about Charleston or Savannah, and would most humbly beseech you, dear General, to have me detatched from my Corps. if it is only for a short time, for that purpose. I can instruct men for the purpose, or new Signal Officers who may have lately been appointed by the government and sent there, and assist to form lines for Communication between the different points and fortifications around and about the harbor and Coast. In regard to character and efficiency, Capt. Milligan will give any information required. He has a Corps of one hundred and twenty-five very intelligent and efficient young men, and as there is not much for us to do here now, no doubt you might have a number of them detatched and sent to Charleston and Savannah, if you need them. I have been told by old Signal men that have served under you, that you are quite a friend to the signal service, and appreciate the importance of it, and I have not a doubt but you will employ it about the points already named, and, dear General, if you do, I hope you will grant me my request to be detatched, and I will do all my power to make it assist you in your laborious work before you. It would afford me the greatest happiness and pleasure, as I would be serving my Country, as I have done before, on the dear soil of my beloved old Palmetto State. There is not another spot in all the Confederacy, as you very well know, on which the Abolitionists had rather wreak their vengeance than South Carolina, and to repay us for their many galling defeats received from us the past six months, they will have nothing undone the coming winter to reduce Charleston or utterly destroy it; and there is not another spot on which I had rather die in the defence of my Country more than my native old State—South Carolina.

Mr. Memminger, a son of the Secretary, and a newly appointed Signal Officer, may be assigned to duty at Charleston, and will have to be instructed, and need assistance; and, dear General, if you do not think it bold and presumptuous in me to ask you the favor, I hope you will give my request the proper Consideration.

A detatchment of our Corps was some time ago sent down to Wilmington, N. C., and are on duty there.

My address is Petersburg, Va., Care of Capt. James P. Milligan, Capt. and Signal Officer.

Very respectfully,

P. C. Worley.

Hon. Jas. A. Seddon
Sec. of War,

Sir,

I have the honor to recommend Privates B.L. Hyman and W.T. Hyman of my Signal Corps, Lt. Genl. T.J. Jackson's Corps A.N.V. for promotion. There are two Signal offices vacant in the 2nd Corps and two in the 3rd Corps and I respectfully recommend the above named gentlemen as eminently worthy to discharge the duties of Signal Officers and as deserving of promotion for gallant conduct and efficient service rendered. They have had a great deal of experience as Signal Privates, Genl Jackson's Corps having probably had more practice than any other. They are both young gentlemen of intelligence of reliability, of great moral and social worth and of respectable connections. Pvt. B.L. Hyman attended the Military Institute of Ky. near Frankfort for three years and was only prevented from graduating by the breaking out of the War. Pvt. W.T. Hyman was a student at the Univ. of Va. and was prevented from graduating from the same cause. They are both men of decided merit, of energy and perseverance and knowing that they would make efficient officers I take pleasure in commending them to your notice and hope you will see fit if to the interest of the service to appoint them Lieutenants in the Signal

men in our army & there can be no question but that they deserve promotion. I hope you will do all you can to have them promoted & by so doing you will confer a favor on me

Respectfully
Your obt. Svt.

I learn there are some appointments to be made in the Signal Corps & that the applications must be made through you. Hence I write to recommend to you for appointment the following gentlemen; to wit;

B.L. Wynn, J.L. Bartlett & D.P. Baston for the appointment of Lieutenants & Wm. J. Wynn, Wm. E. Caulfee & J.R. Caulfee for the appointment of Sergeants in the Corps.

These men have all been in the Corps for some time and have had a great deal of practice. They are all experienced operators as well as reliable, intelligent gentlemen. They are also men of good habits. I dare say there men have done more service than any dozen

The applicant, Wm. D. D. Wynn, for the appointment of Signal Sergeant has been known to me from early boyhood. He has always been a model young man. He is an intelligent, reliable, business young man. His whole heart is in our cause. He enlisted for the war from the first. Though a military man by education, and a fine officer, he gave up an office in a Cavalry company and joined as a private in a war company in order to induce others to enlist for the war by his example. He has made a true and faithful Soldier. Knowing that the vacant discharge which he holds may be imposed upon him with credit and ability I take great pleasure in recommending him for the appointment.

General

Pardon me if I am acting too much in soliciting your approval of the enclosed recommendation. I have served as a private soldier for the last twenty months; and, to the present, have sought no promotion, whatever, being unwilling to fill any position without a thorough acquaintance with the duties appertaining to it. Your endorsement, I am convinced, will greatly assist me in getting the appointment referred to; and, should such be the case, I will strive to do my duty as an officer, as I hope, I have ever done as a private soldier.

I am General
